

**NAMI PROVIDER EDUCATION PROGRAM
FOR PROFESSIONALS/SERVICE PERSONS
WHO MAY COME IN CONTACT WITH A
PERSON WITH A MENTAL ILLNESS**

A series of 10 weekly classes structured to help service providers understand and obtain a broader knowledge of mental illness. The course is taught by a team of 5 trained volunteers – 2 consumers, 2 family member caregivers, and 1 mental health services provider. **There is no cost to participate in the NAMI Provider Education Program.** We think you will be pleased by how much first hand knowledge this course offers and invite you to call for more information.
